Acting Headteacher: Mr J. Gilbert, M.Ed

24 March 2009

Dear Parents,

**Parents' Evening** is being held between 4.00 and 9.00 this Thursday 26 March. On this occasion your children's books will be available for viewing in the classrooms and the teachers will be holding the consultations in the Infant and Junior halls. Please be prompt for your meeting and make every effort to keep to the 10-minute time slot as otherwise it sets back the timetables for those parents waiting, and the staff.

The school nurse will be available in the Infants reception area from 3.30-5.00 to answer any of your questions about head lice and any other appropriate matters

Out of School Club will be meeting in St Saviour's Pre-School, accessed off the Infant playground.

**Pupil Lateness/Absence** It has been noticed that a number of parents are not phoning in the morning to inform school of pupil absence or lateness. It is parents' responsibility to phone before 9.00 so that teachers know a child is either late or not well enough to attend school, and to ensure that attendance registers are accurate. Also, it is important that the school cooks know exactly how many children they are catering for so early information would be appreciated. Thank you for your co-operation.

**Airwatch Recognition Award** has been won by St Saviour's Primary School for the good work in promoting the Walking Bus and encouraging so many children and parents to avoid using cars.

**Girls Football Final** I am sure you will be pleased to hear that the girls Year 5/6 football team is playing in the County Final at Crewe this Friday. We wish them well!

**Elvis Night** A final reminder that tickets are still available so let's go out to fill the Castrol Club and have an enjoyable evening with the 'King'.

Yours sincerely,

J. Gilbert  
Headteacher
