24 June 2009

Dear Parents,

As usual the June weather has been inconsistent but we have now managed to enjoy our **Sports Days** which were well attended by parents and relations. Thank you if you managed to attend on either or both days and thanks also to the staff for arranging the days, the PTA for providing the refreshments and particularly the children for their enthusiasm and competitiveness.

_____ will be in Infants Class ____ with _____

as class teacher.

The children will be spending part of the morning of Thursday 9 July with their new teachers. This is the day when our Year 6 pupils have their day visits to their new secondary schools and our new intake for September will also be visiting Infant Class 1 and 2.

Films classified as 'PG' In Junior classes it may occasionally be necessary to show parts of films with a 'PG' classification. These are linked to the English curriculum framework and are endorsed by the DCSF. Please speak to Ms Fleming if you have any concerns about this.

Reading/Library Books Amnesty The teachers report that quite a number of Schools Library Service and our own reading books are not being returned to school. We are trying to build up our library, recently re-equipped with new shelves, but this will not happen if we are regularly buying replacement books. In addition, quite a few of these books are the property of the Council Schools Library Service and the school has to pay when books go missing. In future, if books are not returned or are missing, children will not be allowed to take another home until the replacement cost of £5.00 is paid.

Please search the house and especially book cases to find and return any such books to school. There should be either the school's stamp or the Schools Library Service stamp inside.

All such books returned, no matter how many, will be gratefully received – no questions asked! Thank you.

Thank you for your continued support,
Yours sincerely,

J. Gilbert
Headteacher
