Acting Headteacher: Mr J. Gilbert, M.Ed

4 February 2009

Dear Parents,

Class Mass Father Phil will be coming to school this Friday, 9.15, to celebrate Mass for the parish and the children of Year 6. Please join us if you can, in the junior hall.

'Bug Buster' is a talk given by the school nurse, Jessica Hunt, about head lice prevention and management. Head lice/nits is a fact of life and will not go away. I know parents are frustrated and annoyed when they notice their child is infested, often regularly, even after treatment has been used. If this is the case or you would just like more information and a leaflet to take away, please come to this meeting in the infant hall on Monday 9 February, 9.00. I am sure you will find it useful to attend.

Surplus Furniture As some new furniture has been bought for the junior classes and the library we will soon have some surplus furniture available. There will be some bookcases and tray units, with trays, which are particularly useful for storing tools, nails etc in the garage or garden shed. These should be available in the next week so look out for further information.

Mobile Phones surplus to requirements are being collected by the pre-school as a charity fund-raiser. Please pass them on to Win Gavin or Angie Halpin in pre-school.

'Communication Workshop' is a two-session programme to promote the use of gestures and Makaton signing as a means of communication with children. This will be held in the pre-school on Tuesday 24 February and Tuesday 24 March, 3.45 - 6.00 and is free. Please let Win Gavin or Angie Halpin know if you are interested by calling int to pre-school or phoning 0151 339 0353.

Yours sincerely,

J. Gilbert
Headteacher
