

### **Intervention**

If a child violently attacks another child or adult and does not respond to requests to calm down, then physical restraint is necessary.

The child should be removed from the situation as soon as possible and taken to a member of the Senior Management Team who will take immediate action to involve parents.

The Incident Book should be filled in and the situation discussed with the Headteacher or Deputy Headteacher.

The Headteacher or Deputy Headteacher will work with the member of staff and parents to devise an action plan to meet that child's needs. This may include the involvement of other agencies – social services, psychological service etc.

### **Behaviour Modification Policy**

At St. Saviour's Catholic Junior School, most of the children are well behaved. There are, however, occasions when individual children exhibit behaviour which is unacceptable. As part of the approach within our discipline policy of rewards and sanctions we use behaviour modification strategies to change individual children's behaviour. All staff use these.

Each child is different, so it is important that the cause of the behaviour is investigated and plans made to meet individual needs.

A wide range of rewards is used to reinforce positive behaviour. These can include:

- Change in classroom organisation
- Using different resources
- Rewards of stars/smiley faces on work, on charts and in special books
- Use of certificates, special stickers for such things as listening, being kind, helpful etc
- Sharing good behaviour with other children/other classes
- Involving parents at an early stage to make an action plan together

By using a positive system of rewards, and reinforcing good behaviour we help children to feel good about themselves.
